

Checklist for Selling a House

To ensure that the sale of your property proceeds seamlessly and efficiently, it is useful to have the essential documents ready well in advance. Our checklist provides a clear overview of which documents are required for this process. If any documents are missing, we would be happy to assist you in obtaining them and, upon request, arrange for the missing documents to be prepared.

When you engage ROC Immobilien GmbH, you will not incur any costs yourself. We will cover these for you.
